You may pull up in front of Lovett Hall to drop off your bags, or there is paid visitor parking to the south of Lovett Hall if you plan on staying for a while. The fee for use of this lot is $1 for each 10 minutes, with an $12 daily maximum. A credit card (American Express, Discover, MasterCard or VISA) must be used to enter this lot, and the same credit card must be used to exit the lot. If you do not have a credit card, we can direct you to the Central Garage, where entry is possible without the use of a credit card. If you plan on parking your car on campus during your participation in VISION, we will make special arrangements for you – details will be given to you at registration. You may refer to the online map at http://www.rice.edu/maps/maps.html to get a view of the campus. If you need more instruction, just call our office using the numbers listed above.

We hope you are as excited about RICE VISION 2017 as we are. See you soon!
